

The office of the Advocate General, Bihar
High Court, Patna

Urgent Notice

Ref. No.- 117

Patna, dated 16 July, 2026

All Law officers

It has been sharply noticed by the undersigned that Law officers are routinely failing in making their appearances in Govt. cases allotted to them, instead they send their Assistant counsels to handle the matter. One would agree that Assistant counsels do not possess quality, knack and confidence in requisite amount to present argument before the Hon'ble court like the Law officers. As such, Government cases are suffering and Hon'ble courts are not getting proper assistance.

In such view of matter, It is requested that Law officers himself should be present in the allotted cases particularly in the matter listed before the double bench and wherever it is not possible for them to appear personally, they must instruct their Assistant counsels properly to argue before the Hon'ble court under their direction and strictly as per Govt.'s instruction.

In case of any difficulty, Law officers may bring the matter to the notice of the undersigned beforehand.
